**Subject:** RE: Leviathan Mine - Interim Combined Treatment Demonstration Call

Thanks Marc!

Will you have an agenda and some of the materials that were requested during our monthly call to share?

Some thoughts:

- Tabular summary of data
- Tabular summary of water volumes/levels/estimated treatment time etc
- Daily sampling during Shakedown
- Schedule of the demonstration project to date and anticipated plans
- Coordination with Waterboard
- Discuss and plan for pond capacity for upcoming winter/rain season
